Re: *Dominion Energy South Carolina, Incorporated's Establishment of a Solar
Choice Metering Tariff Pursuant to S.C. Code Ann. Section 58-40-20 (See Docket No.
2019-182-E)*
Docket Number 2020-229-E

Dear Ms. Boyd:

Pursuant to Commission Order 2021-10-H, please find enclosed for filing the Redacted Revised Direct Testimony of Justin R. Barnes on behalf of the Solar Energy Industries Association and North Carolina Sustainable Energy Association in the above-referenced matter.

The content of this testimony is the same as that filed on January 22, 2021; the only revisions made to the enclosed testimony are the removal of confidential designations, with the exception of those matters identified by Dominion Energy South Carolina ("DESC") as confidential in its February 2, 2021 letter filed with the Commission. The Solar Energy Industries Association and the North Carolina Sustainable Energy Association do not disagree with the confidential designations made by DESC in the February 2, 2021 letter.

An unredacted confidential version of the Direct Testimony will be mailed to your attention. The items redacted are confidential because they reference, or were derived from, commercially-sensitive data developed by DESC witness Scott Robinson using Guidehouse's confidential and proprietary pricing software. Please contact me if you have any questions regarding this filing.

Sincerely,

/s/ Jeffrey W. Kuykendall
